

# Management (WP5)

Mirja Kühlewind, ETH Zürich

Zürich, March 3, 2016

measurement and architecture for a middleboxed internet

**measurement**

**architecture**

**experimentation**

---

# Communication Actions

- Webpage: <https://mami-project.eu>
  - Incl. blog
  - further content will be added the next weeks!
- Github: <https://github.com/mami-project>
  - Software, data, and public presentation (roadshow)
- Twitter: @mami-project
  - 21 follower so far

---

# Internal communication

- 3 mailing lists
  - mami@... (incl. EAB), mami-ga@..., mami-confidential@...  
...dornbirn.zhaw.ch
- Slack chat room: mamiproject.slack.net
- Confluence management/wiki: [mamiproject.atlassian.net](https://mamiproject.atlassian.net)
- Git server: [gitlab.mami-project.eu](https://gitlab.mami-project.eu)
  - only non-public, collaborative work e.g. papers and deliverables
- Monthly call (First Thu at 1pm)

---

# External Advisory Board

- Members (as in CA)
  - Joe Hildebrand (Cisco)
  - Dirk Kutscher (NEC)
  - Szilveszter Nadas (Ericsson)
  - Dave Plonka (Akamai)
- New:
  - Allison Mankin (Verisign)
  - Paul Hoffman (ICANN)

---

# Next Technical Plenary Meeting: Berlin

- July 14/15 (maybe 13), 2016
  - IETF96 is July 17-22 in Berlin
  - 1.5-2 days + potential social event on Friday afternoon...!
- incl. all EBA members
- Location: openBerlin Cisco Innovation Center  
15 EUREF-Campus, Torgauer Str. 12, 10829 Berlin

---

# First Technical Review

- Date still open
  - Is second week of Oct okay or too late?
- Location: probably Barcelona
  - easy to get to and reasonably cheap
  - Diego to reserve a room
- Participants: WP leaders, EU officer, reviewers
  - plus potentially other partners if need for certain technical presentations
- Scope: open discussion, show project plan (if necessary make adjustments), and get constructive feedback from the experts

---

# Recent Dissemination Activities

- Presentation at CleanSky Conference, Feb 29, Heidelberg
  - <http://www.cleansky-itn.org/conference-series/heidelberg/>
  - M. Kühlewind: Middlebox Measurements and Cooperation
- Invited talk at ICIN 2016, March 1, Paris
  - <http://www.icin.co.uk/>
  - M. Kühlewind, B. Trammell: A Vision for Explicit Path-Cooperative Transport
- **Upcoming:** Talk at Cisco/Ecole Polytechnique Networking Innovation and Research Symposium, 7/8 March, Paris
  - [http://www.cisco.com/web/FR/events/2016/ecole\\_polytechnique/index.html](http://www.cisco.com/web/FR/events/2016/ecole_polytechnique/index.html)
  - B. Trammell: On Explicit In-Band Measurement
